IDM Mikute Village Masjid & Islamic Centre in Malawi

A group of elders from a remote village in Malawi, Mikute, requested for IDM to assist with the first proper Masjid in the village. And IDM obliged. To date this is the biggest and best Masjid that IDM has built in Malawi, for brothers and sisters. The official opening ceremony took place last week.

This Masjid and Islamic Community Centre, like all other IDM Mosjids in the townships will accommodate a host of activities. Such as daily Salaat, Jumuah, Adult classes, halaqas, youth camps, Iftaar-Saaim, Udhiya, weddings, funeral, public lectures, and many other activities.

As IDM is building more Mosjids; in areas where they have not been before; and where there are a substantial number of Muslims; and especially amongst the emerging new Muslim communities; it is clear proof and evidence that Islam is growing in our country and region, surely and steadily, through the Grace of Allah (سبحانه وتعالى).

IDM conveys its heartfelt gratitude to those of you who contributed towards the cost of this Masjid. May Allah (سبحانه وتعالى) bless and reward you all, Insha Allah.
